Your Honor,

Our law office has unexpectedly lost our lease and as a consequence, we are requesting a three-month delay in the previously negotiated and ordered Case Management Order (CMO) in the above-captioned case. I have contacted counsel for the defendants and we have agreed upon the following modifications in the CMO and are jointly requesting that the Court enter an Order,

We have agreed that, with the Court's permission, all dates set forth in the CMO (beginning with Paragraph 8) shall be postponed three months, with the following conditions and

- Plaintiffs' responses to the City's interrogatories and document requsets, served 1. on May 20, 2005, along with all executed releases, shall be served upon the City on a rolling basis, but no later that July 18, 2005;
- The depositions of the named plaintiffs, noticed by the defendants on June 15, 2. 2005 are adjourned until the pertinent records are produced and the parties set mutually convenient dates for the depositions, with the understanding that the last of these depositions shall be completed before plaintiffs serve their motion for class certification;
- All of the provisions of the current CMO remain in place except those deadlines 3.

affected by this agreement and Order,

- Plaintiffs shall file their Amended Complaint by July 15, 2005, and defendants' response shall be due by August 22, 2005;
- In the event that any witnesses whom the plaintiffs' seek to depose in this case, aside from arresting officers, are first noticed in another RNC case, plaintiffs will participate in that deposition rather than depose the witness separately.

The parties have also agreed that two of the plaintiffs, Julia Cohen and Chris Kornicke, will be dismissed without prejudice, as they have obtained new counsel. We will prepare a stipulation and Order. We thank the Court for its patience and cooperation.

Sincerely,

Dear Judge Francis:

On behalf of plaintiff and defendants, I write to request a modification of the Case Management Order (CMO) in the above-captioned case, which currently provides for a fact-discovery cut-off date of March 1, 2007. Both sides are exchanging written discovery, but need additional time for fact discovery. Accordingly, plaintiff and defendants jointly request that the Court grant an extension to the CMO deadlines such that fact discovery would be completed by July 1, and the remaining CMO deadlines extended by months. In addition, plaintiff had been pro se, but only recently retained an attorney. If this meets with your approval, would you please "so order" it?

Thank you for your time and consideration.

Respectfully submitted

Fred M. Weiler (FW 5864)

MICHAEL A. CARDOZO

Corporation Counsel

The Honorable Richard J. Sullivan United States District Judge Daniel Patrick Moynihan United States Courthouse 500 Pearl Street New York, New York 10007-1312

Re: Consolidated RNC Cases

Dear Judge Sullivan:

On January 23, 2008, Magistrate Judge Francis issued an opinion and order granting in part and denying in part the motions of plaintiffs in approximately 37 RNC actions to amend their complaints to add various claims and defendants (the "Order"). As Your Honor may recall, plaintiffs' motions to amend were filed nearly three years after the incidents giving rise to these claims, on the eve of expiry of the federal statute of limitations and after nearly three years of consolidated discovery in the RNC cases.

In the Order, the Magistrate Judge has permitted plaintiffs to add as a defendant Deputy Commissioner of Intelligence David Cohen although we believe that plaintiffs have not properly pled any cause of action against him. Due to the importance of this issue, and other potential grounds for appeal that we are reviewing, defendants will appeal the Order for Your Honor's review.

In light of the burdens under which defendants are laboring in these numerous actions, which includes ongoing party and nonparty discovery as well as heavy briefing schedules before both Your Honor and Magistrate Francis on various issues, the parties have conferred on a briefing schedule. Plaintiffs' counsel, Jeffrey Rothman, has consented to the schedule proposed below; in several conversations, the Beldock firm, through Ms. Norins, has expressed no objection but has not yet provided a final answer; Ms. Weber consents on the

condition that she be permitted an extra week to submit her opposition to the appeal; other plaintiffs' counsel who have moved to amend have not responded to our email inquiries.

Based on these discussions, the parties propose the following schedule: defendants appeal shall be due on February 25, 2008; plaintiffs' opposition shall be due on March 17, 2008; and defendants' reply shall be due on March 31, 2008. The parties respectfully request that the Court "so order" it.

Respectfully submitted,

James Mirro

### Hi Jim & Raju:

Counsel in MacNamara consents to the proposed briefing schedule with the understanding that defendants will not be appealing the addition of the as-applied constitutional challenges to the Parading Without a Permit and Disorderly Conduct statutes.

Thanks, Clare
